The Entrepreneurial Journey of EnsoData Co-Founders

Chris Fernandez BMEBS'14, MS'15
Ensodata
Co-founder, Executive Chairman, and
Chief Research Officer

Nick Glattard BMEBS'14, MS'15
Ensodata
Co-founder and Chief Technology Officer

Hear firsthand how two BME alumni turned a bold idea into a nationally recognized startup.

Nick Glattard (BMEBS '14, MS '15) and Chris Fernandez (BMEBS '14, MS '15), Co-founders of EnsoData, will share their remarkable journey from UW-Madison biomedical engineering students to leading a cutting-edge company that's transforming sleep medicine. Their presentation will delve into the challenges and triumphs of building EnsoData.

Monday, November 3 at Noon
1003 Engineering Centers (Tong Auditorium)
